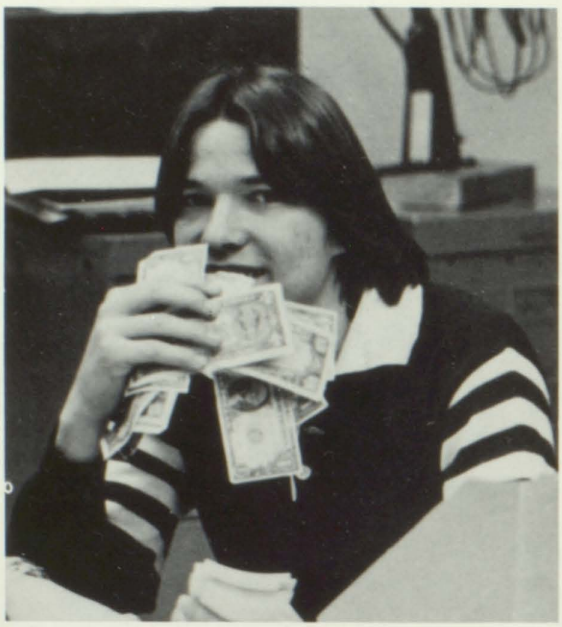
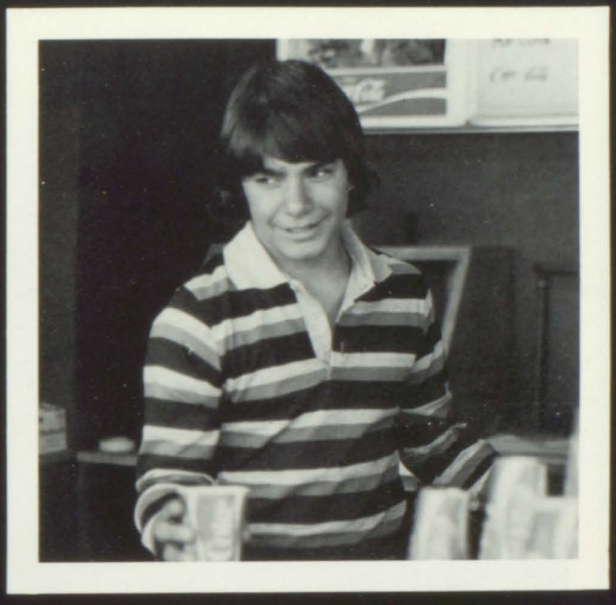
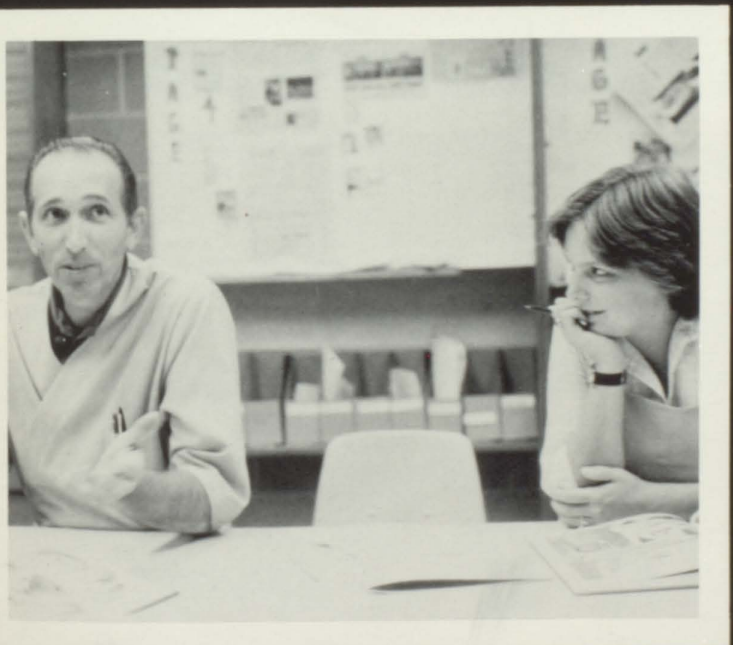
We are the music . . .



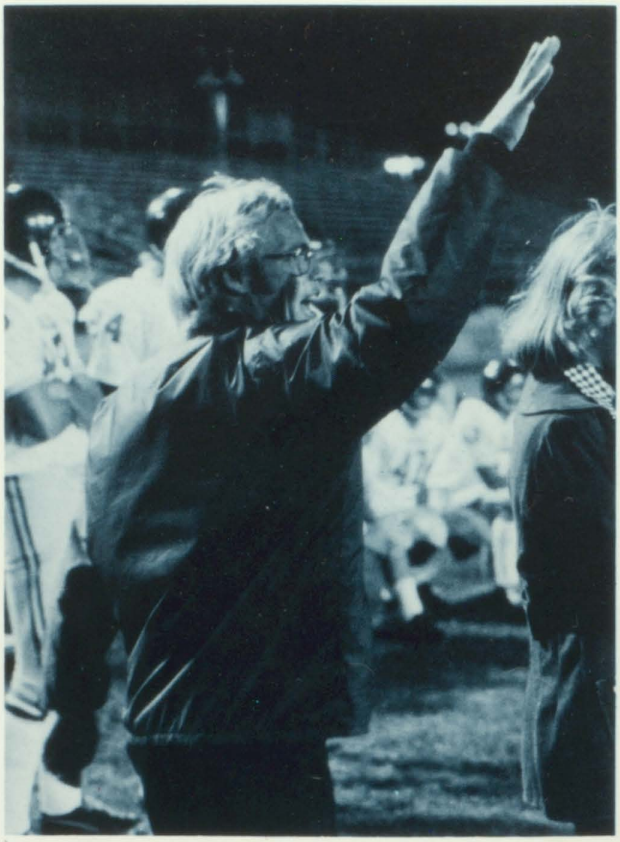
With a harmony





of happiness.

A beat of strength

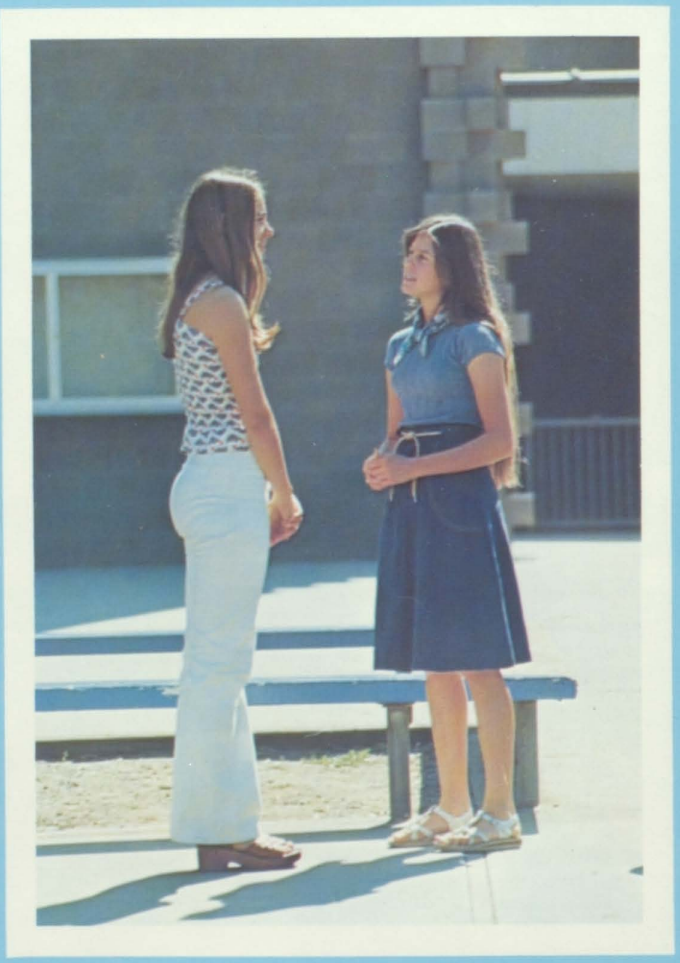


adds a balanced rhythm

As the melody of spirit

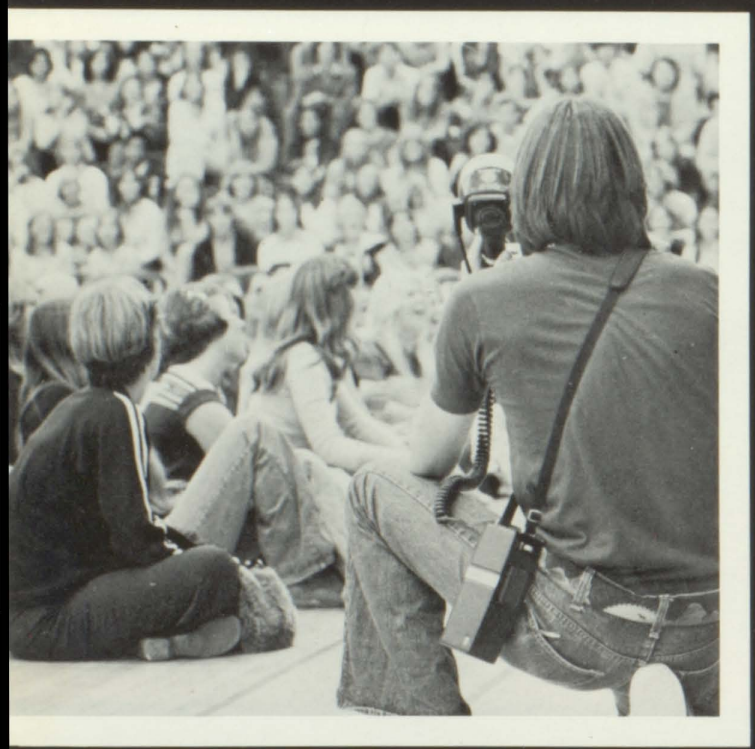
composes
a triumphant arrangement

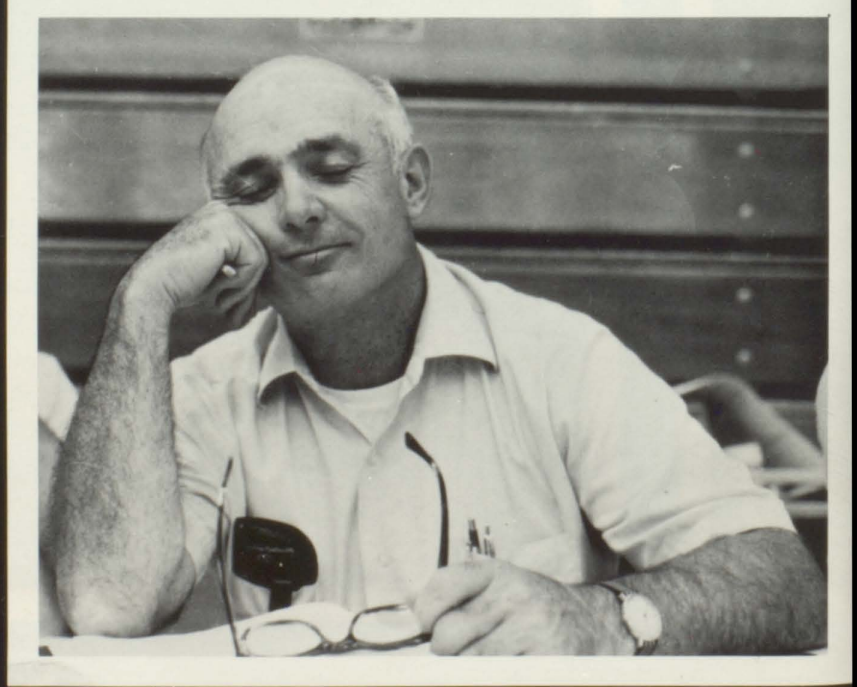
We overcome our

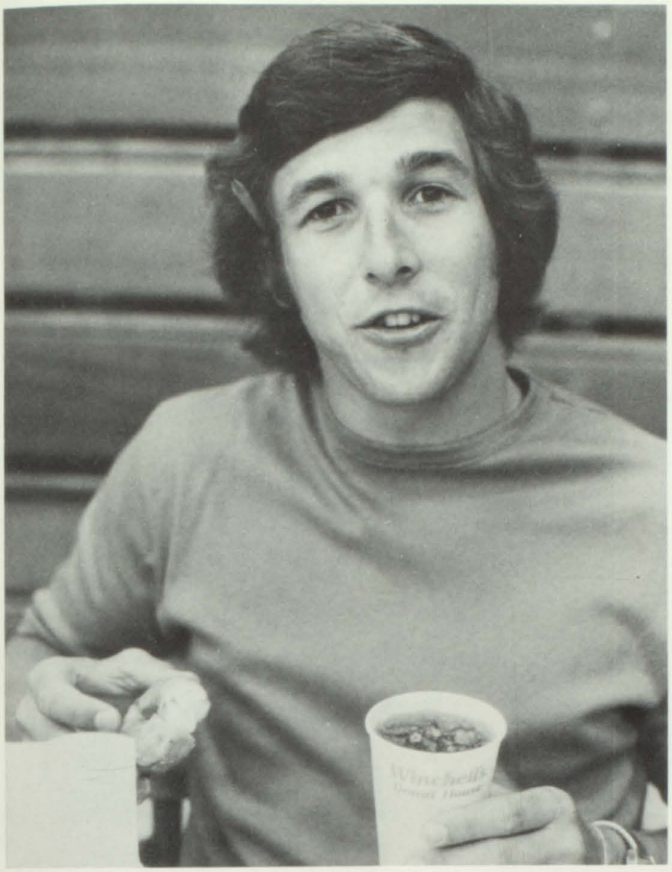


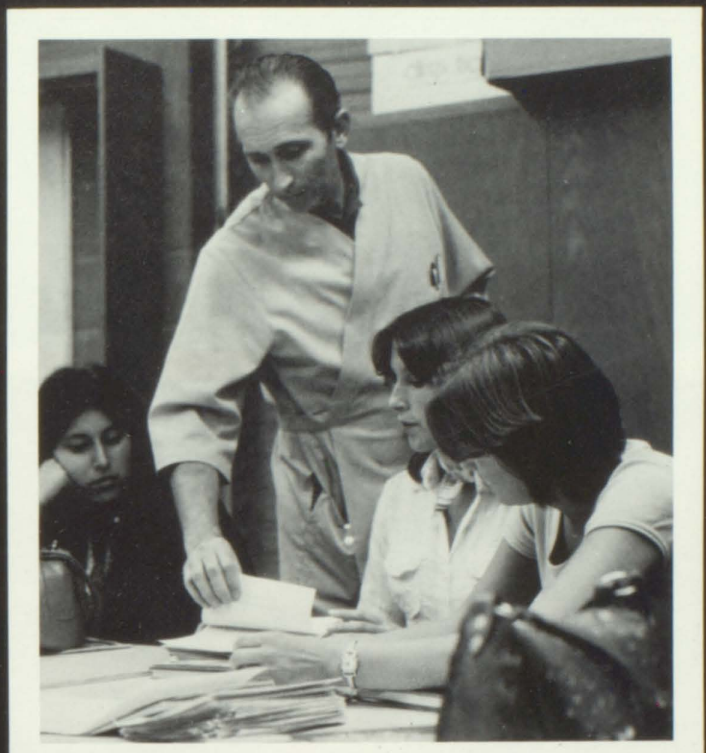
accompaniment of blues,

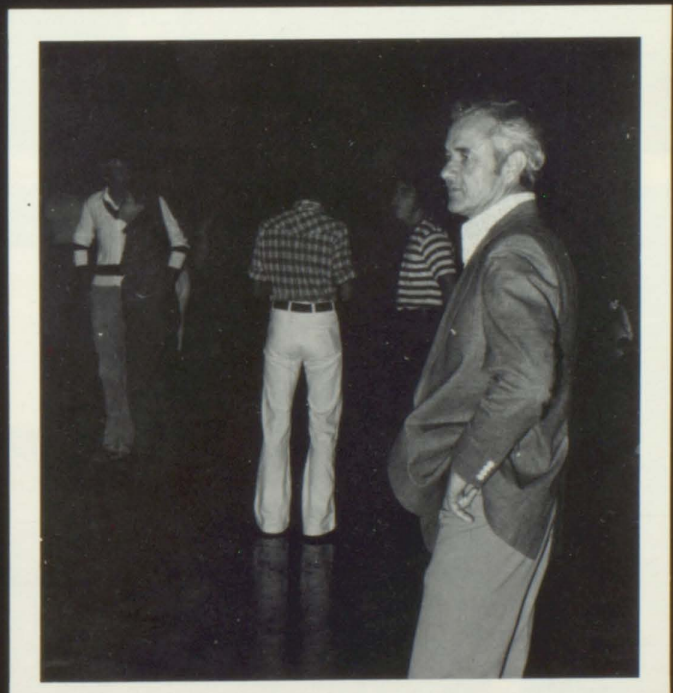
With the conductors





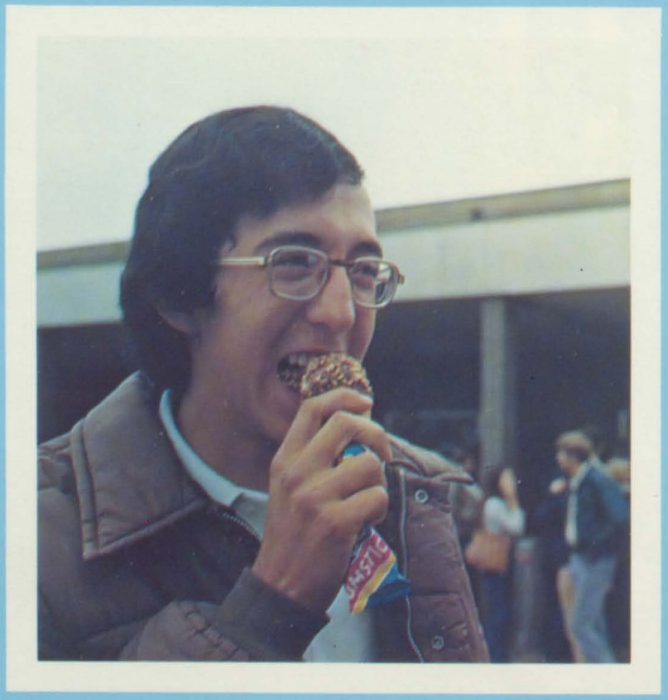


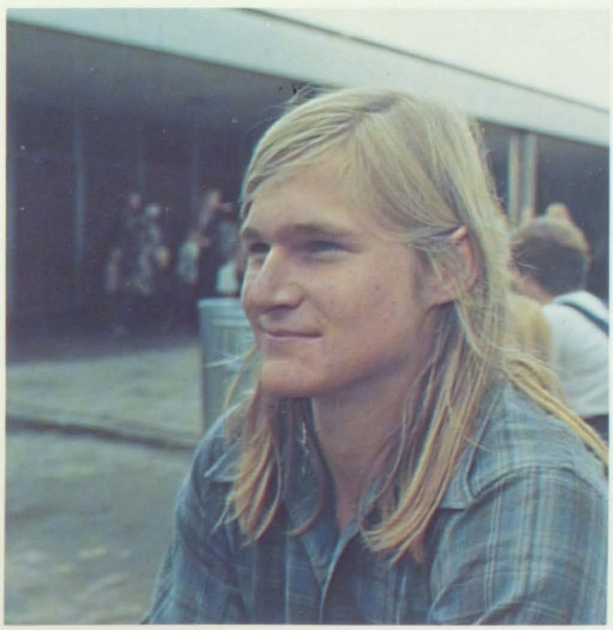




watching over this symphony.

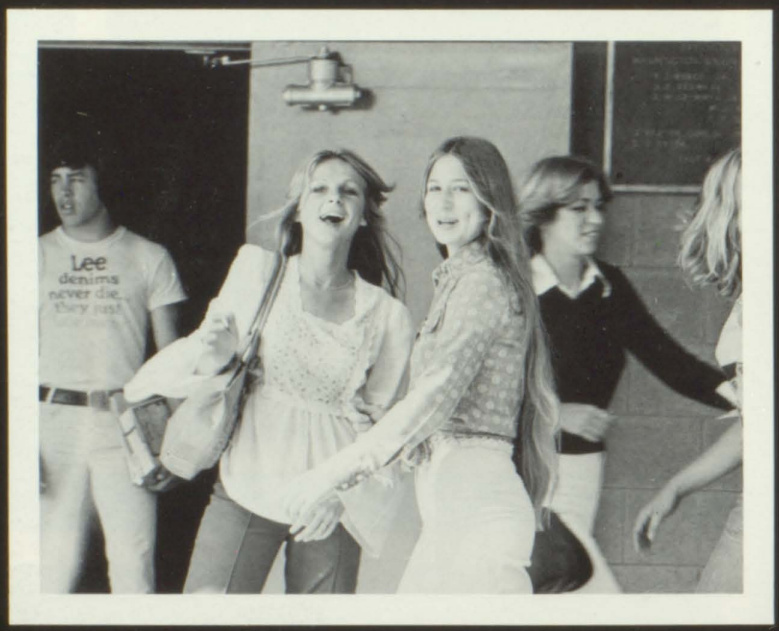
Each person contributes

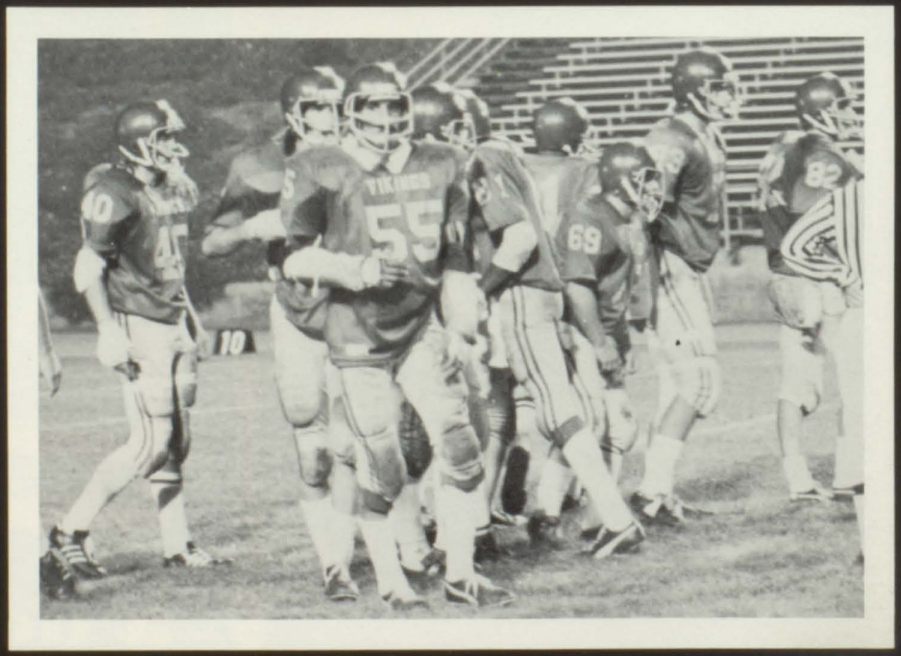


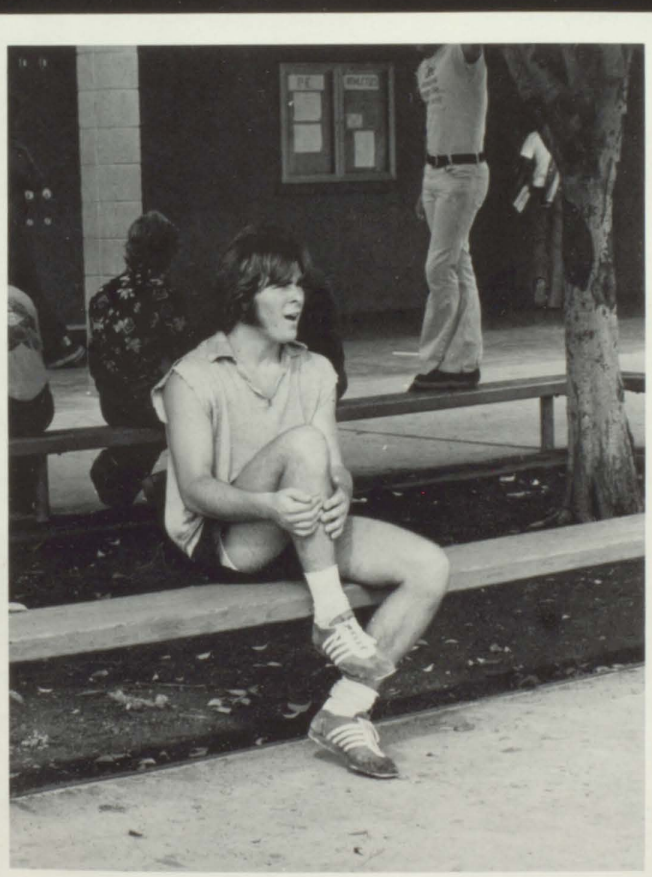


a note,

Soon to be writing his own lyrics







to his own tune.

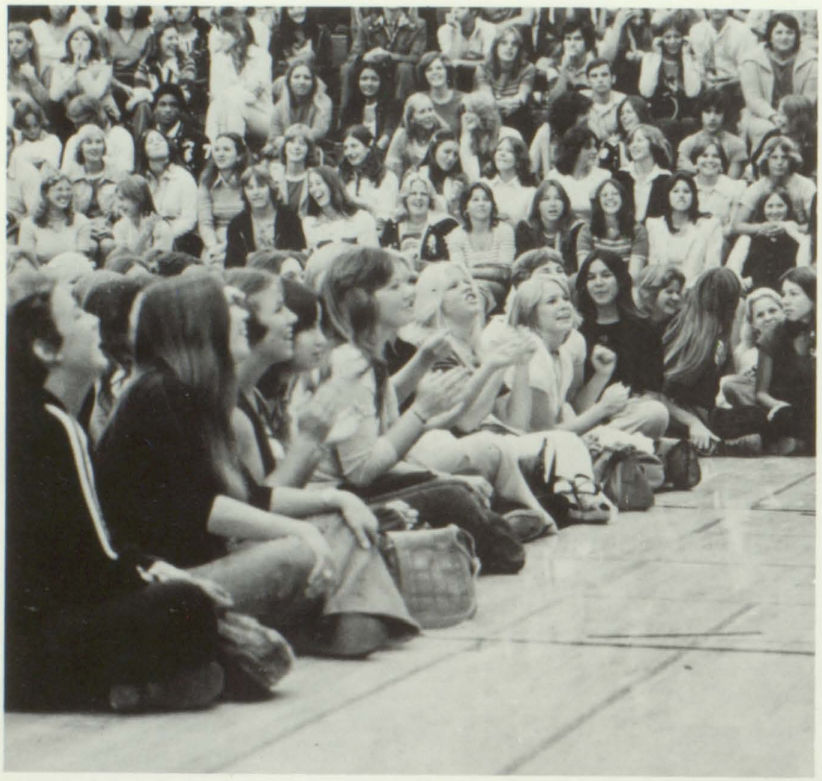
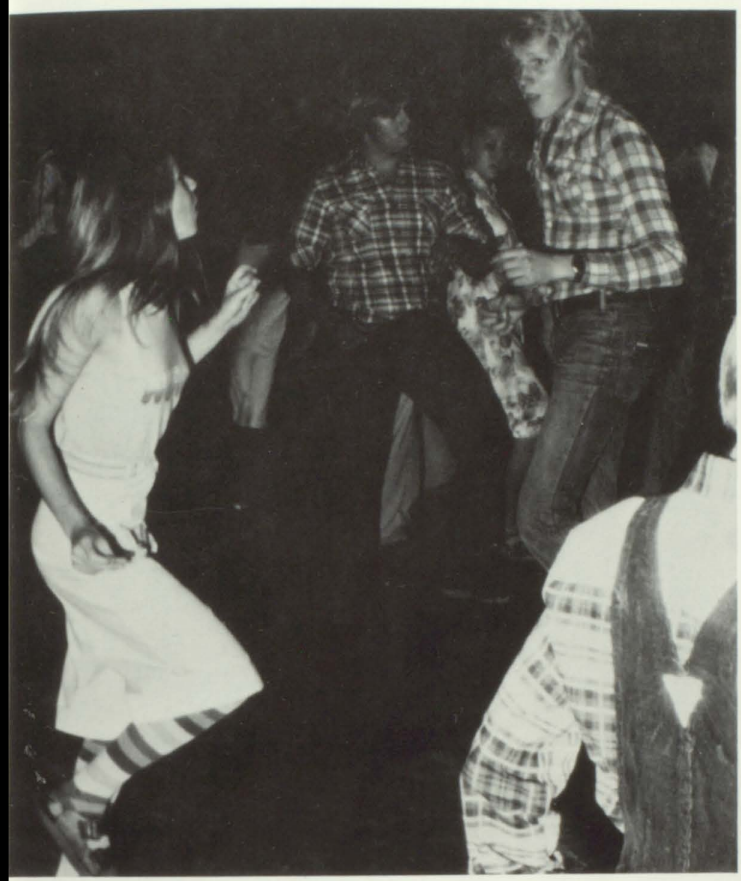
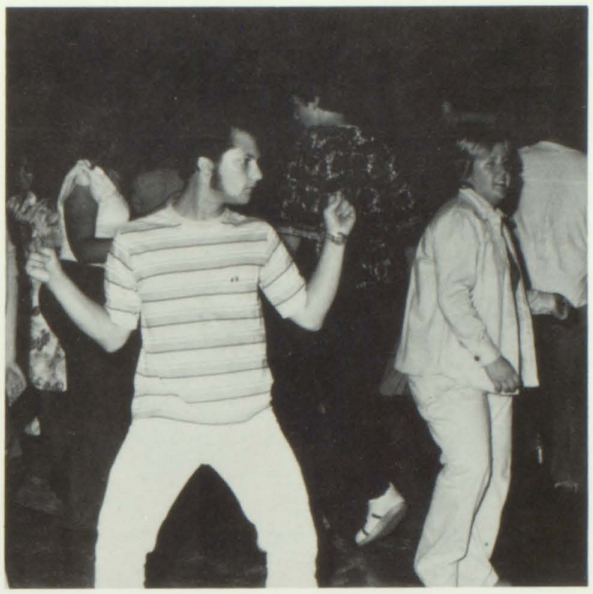
Papa Du Run Run



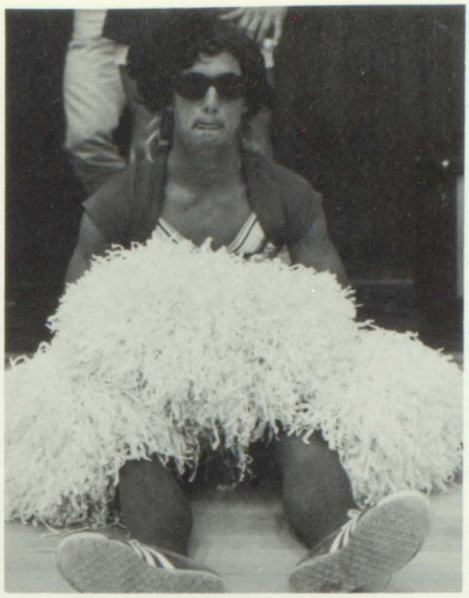
PaPa Du Run Run returned to the Irvington High School gym for the fifth time this year. This year they were better than ever. Everyone enjoyed listening to the Beach Boys style music. A great time was had by all.





Block I Boys' Rally

This year's Boys Rally took place on March 11. This was the most exciting rally that took place this year. The students, faculty and families entered the gym and filled the bleachers. Everybody enjoyed themselves as they watched the Cheerleaders, Song Girls, Lettergirls, and Majorettes perform. The boys that performed in this rally were members of the Boys Block I. These boys were very convincing and amusing in their roles. Thank you Block I for the exciting lunch time entertainment.



Homecoming Rally

The 1976-1977 Homecoming Rally was full of excitement, spirit, and a student-body full of enthusiasm.

November 12, 1976's Rally began with a hoedown from the Freshman class. Following the Hillbillies, were the All-American Sportsmen, displaying their spirit for sports, their class of '80 and their school. Space was the theme for the class of 1978, when they performed their skit of the , "Future Box." "Follow the Yellow Brick Road" to see Oz was the Seniors' theme. Their effort, enthusiasm, and all-around performance led them to their first place victory. Following them were Juniors, Sophomores, and then Freshmen.

That night at the game, was the crowning of the Spirit Queen. Cheryl Bliss had the honor of crowning Shari Butler as 1976-1977's Homecoming Queen. Shari's court included Tina Cunningham, Terryl Machado, and Penny Bradberry.

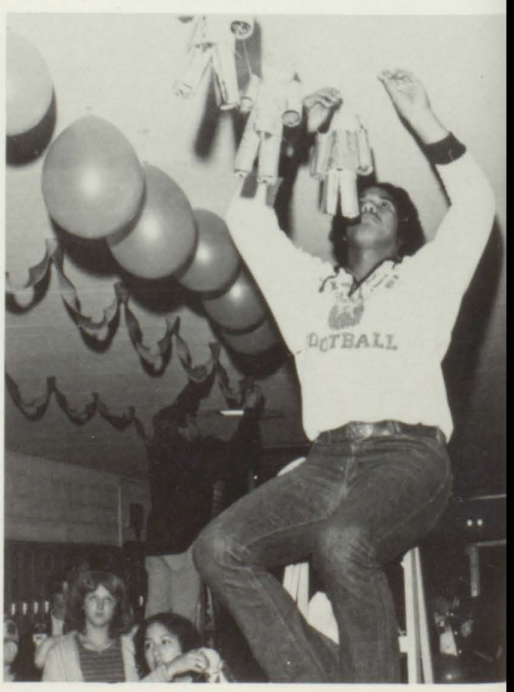
Spirit Week Seniors

Spirit Week is a five day competition between the four classes before our homecoming. Each class has a theme which is to be carried out through their decorations and costumes. The classes spend hours decorating the halls and courtyard for the judging. They also accumulate points on their rally skit and rally spirit.

This year the Senior class took first place. Their theme was the Wizard of Oz.



Juniors

The Junior class came in a close second. Their theme of "Space" was very imaginative and well executed.

Sophomores

The Sophomore class of 1979 came in third place behind the Juniors and Seniors in Spirit Week activities.

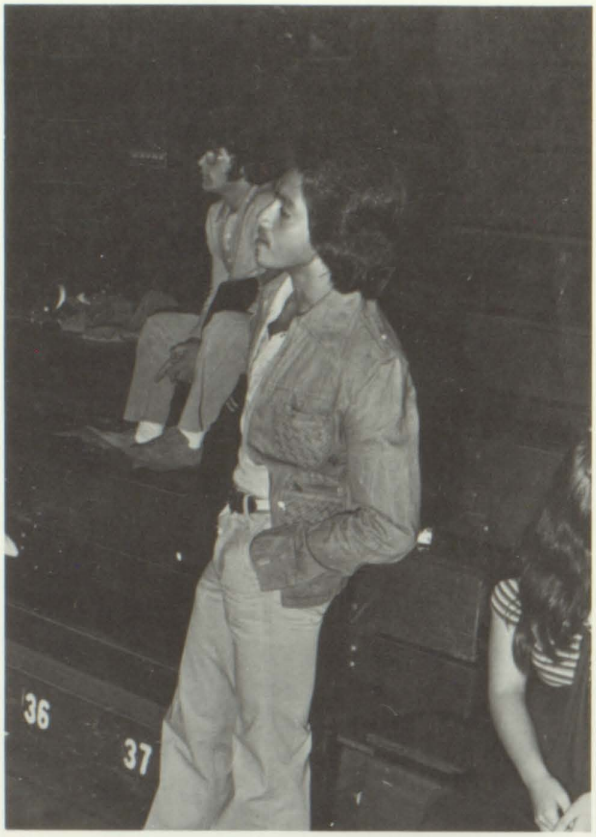
Their theme was "All-American Sports Spectacular."

Freshmen

The Freshman class of 1980 chose "Hillbillies" as their theme for Spirit Week competition.

They came in fourth place.

Dances



Now where did she go?

There were many informal dances this year. These dances were the highlight of Irvington High School. Many students from Irvington eagerly awaited these Friday Night Dances. The dances were held in the gymnasium from 8:00 to 11:00. To name just a couple, on October 15, sponsored by the Senior Class and a joint dance with Washington High School sponsored by the Junior Class.

The Fifth Annual Blue Mist Dance is a semi-formal dance, which is generally held around Christmas time. This dance was put on by the Girls' Block "I" Club. Over one hundred couples danced to the music of "Colour." Everyone danced their hearts out!

You Can't Take It With You

This year's spring play was called "You Can't Take It With You." It is a comedy written by George Kauffman and George Hart. This hilarious story revolves around the mildly insane antics of the Sycamore family. These range from Grandpa's snake collecting to Essie's candy making between ballet steps. Then there are the Kirbys, an extremely conservative and proper family. Alice Sycamore (the only normal member of the family) is in love with Tony Kirby. This is where the conflict of the play arises. How can these two sweethearts, from opposite families, get together? One way was to invite the Kirbys over for dinner. The Kirbys were very shocked to find such a crazy atmosphere, and therefore came to the conclusion that marriage was totally out of the question. At the end, Grandpa Sycamore finally convinces Tony's father that life means more than slaving on Wall Street for money.

VARSITY FOOTBALL

This year's Varsity Football team showed definite improvement over teams of the recent past. For the first time in the last three years they finished with a winning record of five wins, two ties and three losses. The main asset of the team has been a "togetherness" and dedication to the job at hand. Although the offense did sputter at times, it proved able to put points on the board when they were really needed. Defensively, the Vikings were nothing short of outstanding, giving an average of less than ten points per game to all opponents. Coach Miller said that this team was a pleasure to coach and that this year's seniors were a group that he will always remember for their humor as well as their ability to play football.

The squad had balanced scoring with Joe Schultz, John Valentine, Mark Cesare, and Eric Garner leading the way. Jeff Lowen, Joe Schultz, and Mike Campbell were the best rebounders. This year's Freshman Basketball Team could best be characterized by determination and hustle. Although they were one of the smallest teams in the MVAL they more than held their own by playing tenacious defense and making the most of an aggressive running and hustling type of offense. Irvington's basketball future looks bright with the addition of these fine young men.

This year's Irvington Track Team had a lot of athletes from the Soph B Champs from the year before. Some Varsity Lettermen had also returned for another year. There were many outstanding individuals such as Dave Debus in Discus and Steve Blizel in the High Jump. Other Top contenders were Rick Moraida, Marty Ryan and Clyde Wixom in Long Distance. Doug Jones, Greg Wellman, Eric Miskowski and Mitch Heinze in the Hurdle events, Jerry Collins in the Long and Triple Jumps, Jose Nieves in the Sprints, and Doug Handel and Carlos Servantes in the Pole Vault. Mary Giovannoni and Val Collins, as Freshmen, were our outstanding Sprinters. There was also Kathy Domire and Kim Ellegood as our Shot and Discus throwers. Karen Craig and Meg Gusmeri did a good job in the short and middle distances.

The Vikins Varsity swim team has suffered heavy personal losses between the 1976 and 1977 season. The squad is large but composed primarily of untested newcomers and underclassmen. After several years as the league titlests or contenders in the M.V.A.L., the team slipped to a middle of the pack finish.

This year's Frosh-Soph B Team is looking toward an exciting and successful season. With the addition of four to five swimmers from the varsity squad this will provide the depth that the "B" Team will need this year. These experienced, outstanding swimmers will man every position on the "B" team.

VARSITY

This year's Varsity Baseball team was a well-balanced squad. Practice games early in the season indicated strong hitting. Three solid pitchers and many skilled positions. Seniors Gary Conde and Jim Neraumont led the outfield, while Mike Huk anchored an excellent infield. Seniors Ben Snyder and Kevin Brown with Junior Ariel Flores provided the Viking Team with good pitching. The team this year had excellent potential. Pictured from Left to Right, Bottom Row; Greg Bartlett, Lori Eckler, Matt Watson, Anne Untalan, Greg Watson, Eileen Orrock, Ted Lima. BASEBALL BASEBALL

FROSH-SOPH

The Frosh-Soph Baseball team this year consisted of twelve sophomores and eight Freshmen. The strong point in this year's team is the pitching, which was paced by Jim Craig and Rick Mucino. Other strong points of the team include the fielding and hitting. This year the team was coached by Wes Tom. Pictured from Left to Right, Bottom Row; Rich Walker, Rick Mucino, Marty Pappas, Jim Bader, Brad Russell, Jay Simard, Ruben Rubio. Middle Row; Josh Hendrix, Hank Persusse, Pete Pangelinan, Mike Hollenshead, Eric Garner, Louis Duarte. JUNIOR VARSITY

This year's girls J.V. Softball team were contenders for their second consecutive M.V.A.L. championship. Led by Lori Castaldo and Terrie Mac Donald as team captains, the J.V. Vikes showed very good potential. Defensive power came from Sue Fracisco, leading center outfielder; Cathy Salazar at first base; Annette Herup at second base and Kathy Lasovich at third base. The team was coached by Bob Tierney. Pictured Left to Right, Bottom Row; Sharon Robichaud, Dianna O'Connor, Annette Herup, Kerry Bryan, Cathy Salazar. The 1976 Viking squad was made up of two seniors, twelve sophomores and three freshmen. The frosh-soph team had some very outstanding performers. Even though being only a sophomore, Rich Moraida was the number one man on the team. Mike Galvin, a sophomore, was also one of the top competitors. Jimmy Pena and Charles Adgie, two freshmen, did an outstanding job, throughout the season. Carlos Servantes and Rodger Adams were the two seniors on the varsity squad. They did a good job throughout the season. It was unfortunate they did not have more upperclassmen running with them. Each meet three sophomores would run with the varsity. In the MVAL finals the frosh-soph placed fourth to qualify for the NCS division meet.

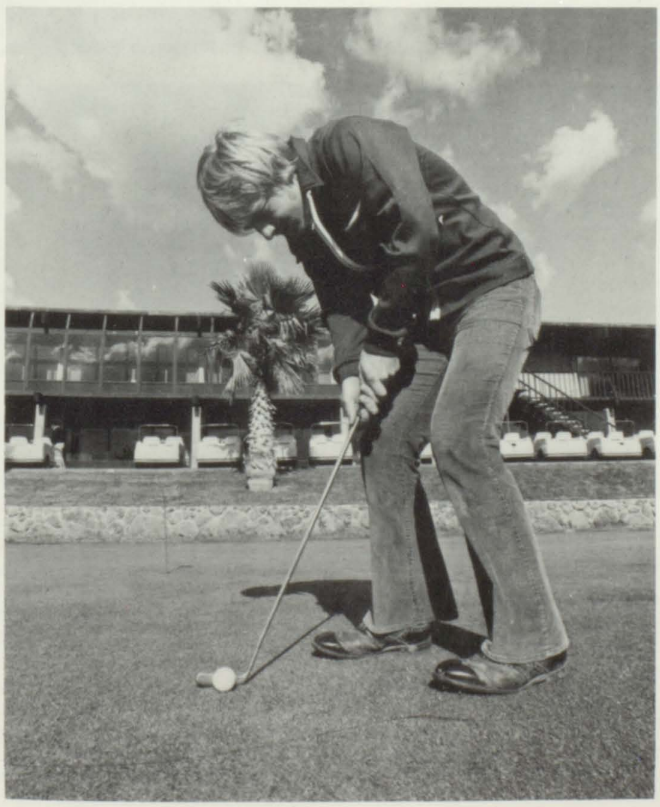
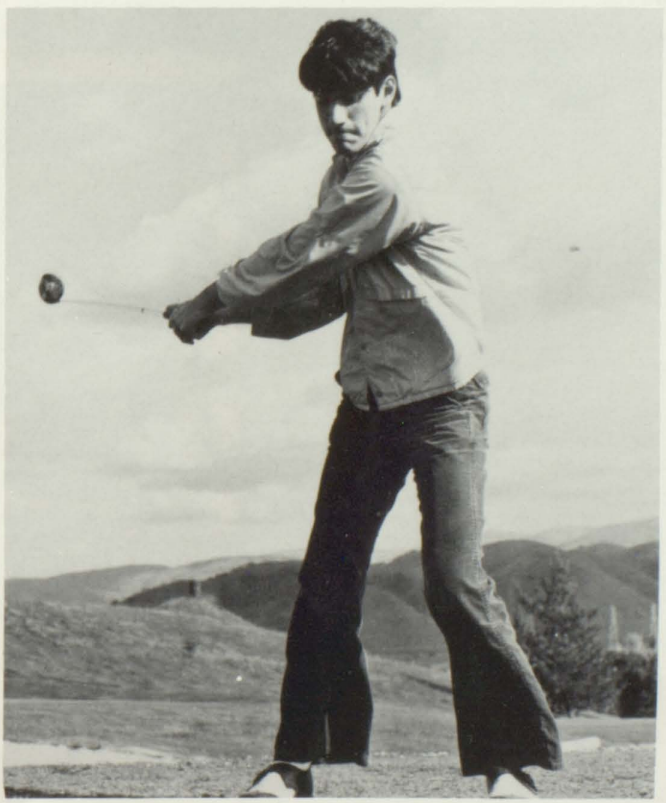
Pictured: Back Row, Steve McLure, Brett Yuhas, Steve Stevens, Mike Madson, Tim Harper, Greg Wayne. Front Row, Coach Boggs, James Hay, Pete Verbaere, Steve Valdez, Kevin Self.

The Viking Golf team was very strong in 1977. At the time of the writing of this article the team had lost only one match. The team was considered one of the favorites for the league championship. The team was led by the best golfer in the M.V.A.L. as a junior, Jamie Hay, who captured the individual championship in 1976. Four of the top six golfers will return next year insuring the Vikings of another good team.



Just a little CONCENTRATION!!



I'll get you yet!!!

The theme of this Yearbook tells Irvington students that they are the "music". We are reminded in musical terms of the harmony, spirit and rhythm of school life at Irvington High. Students are also told that, after a growing process, they will soon be writing "lyrics" to their own "tune". The Irvington staff has done its very best to provide a setting for students where they enjoy school life, learn academic skills and grow toward independence. We take pride in the harmony, rhythm and spirit of Irvington students, and we feel that our graduates are well prepared for post high school life.

Soon, our graduates will have the exciting opportunity of applying the principles of harmony, rhythm, learning and growing to a new job or school situation. We expect them to enter into this new situation with pride and confidence knowing that their Irvington background provided them with the skills to find success. They are still the music, only the tunes will change.;

The Board of Education designs the course of the school district. They make the rules with which the schools operate, and also do the hiring, usually with the recommendation of the district.

This year the student representative to the Board is the A.S.B. President of America, Gayle Savage.

Irvington is fortunate to have counselors that advise students on course selection, college opportunities and other activities related to school. Career opportunities, aptitudes and abilities are carefully analyzed and discussed with the student so that the best choices can be made. Communication and problem solving are the main techniques used to help the student identify his or her values, needs, ideals and goals. Student self-understanding is the key "service" provided by counselors.

Lawrence Welk eat your heart out!

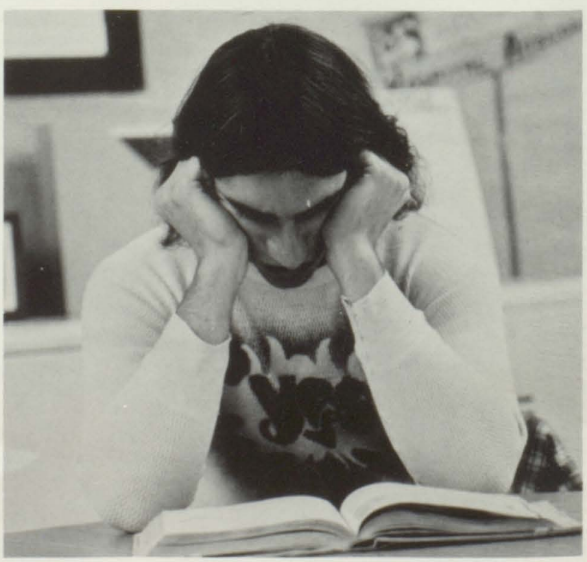
Greg Meily trying out some wrestling holds.

What do you mean I have a big mouth?!

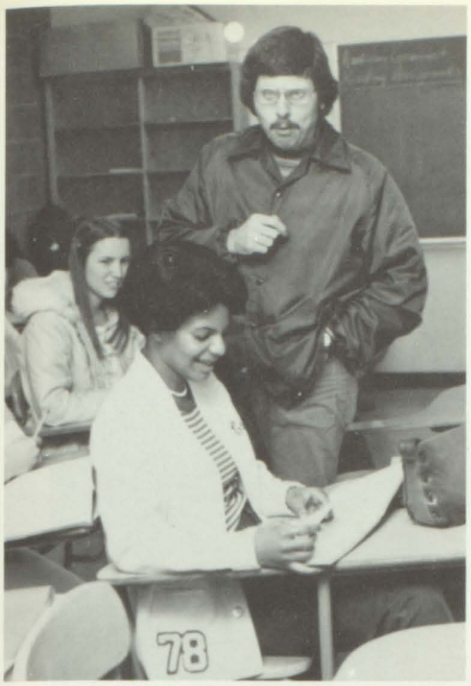
Erin Sare rocking out.

I go for older women myself.

Safety in numbers.



Wow!! I never knew that.



Spin discovering a centerfold?!

Mother told me about people like you.

Can't you see I want to be alone?

Hey, that guy has a camera.

Carrie hard at work?!

Carrie, work?! That's a laugh!

It definitely Needs Improvement!

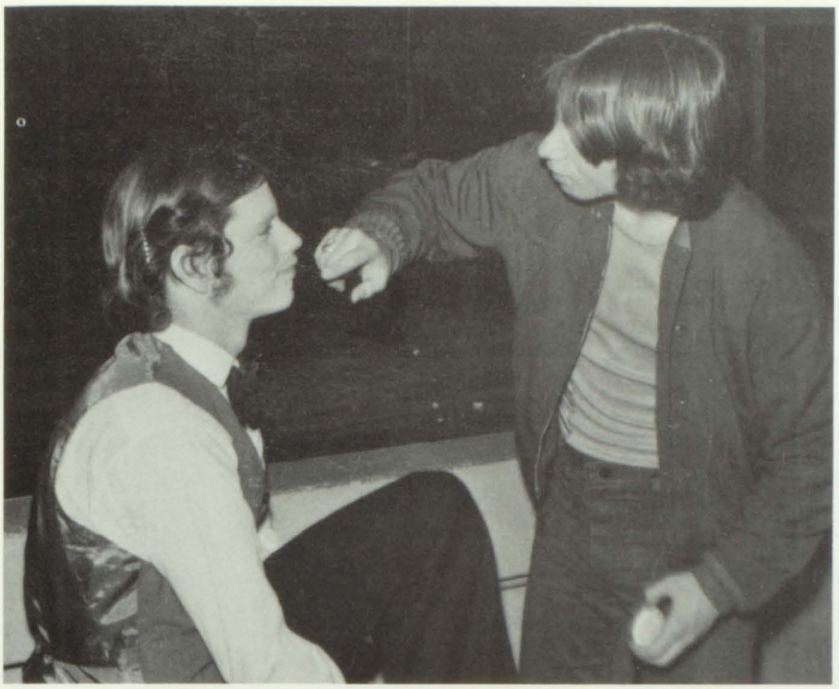
School lunches strike again!

"It could use a little salt!"

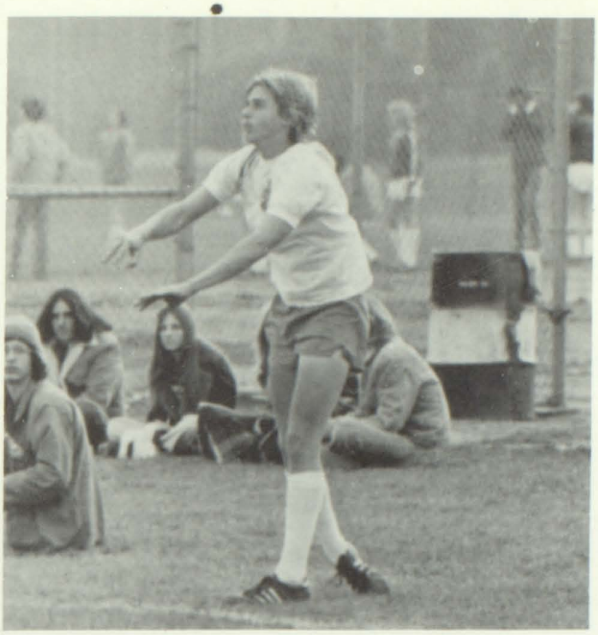
Ready, aim . . .

"Cross my heart."

"Oh dear, I forgot to take my Geritol."



Make up? You need Clearasil.

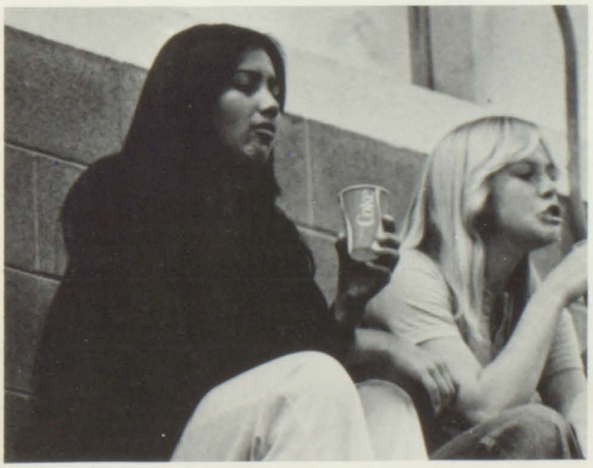


Why did you kick me there??

And the first little piggy said . . .. . .

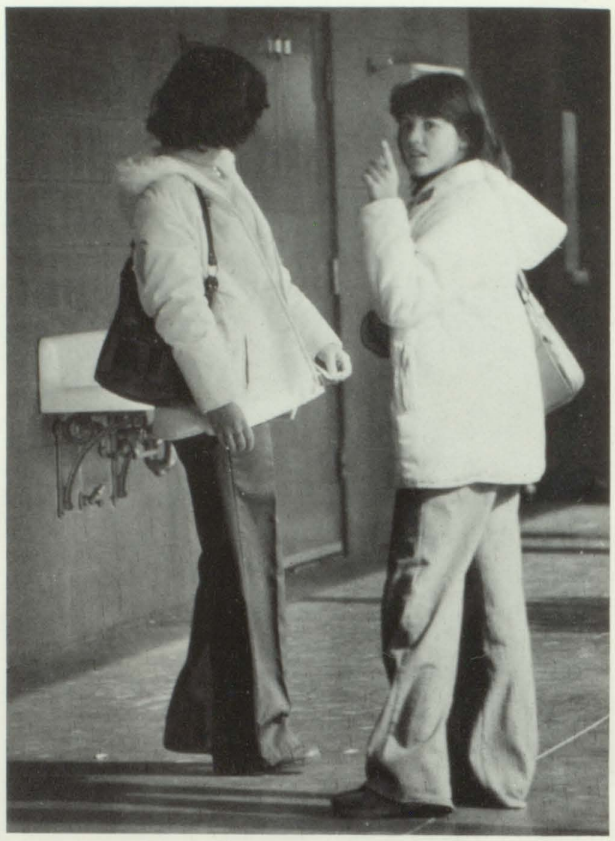
"Speeding???"

"You want te be a garbageman?"



"This isn't Coke"

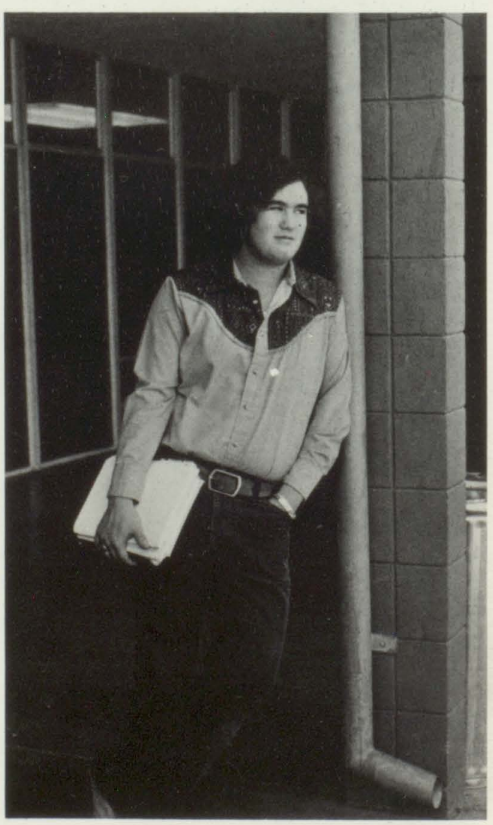
Alright-it's Friday!!



On second thought . . .

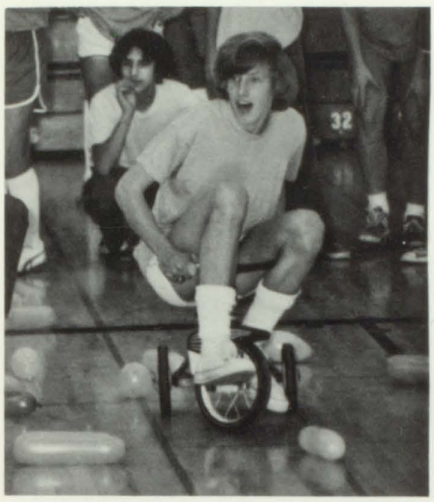
I don't believe it!

Look at him eye her!!



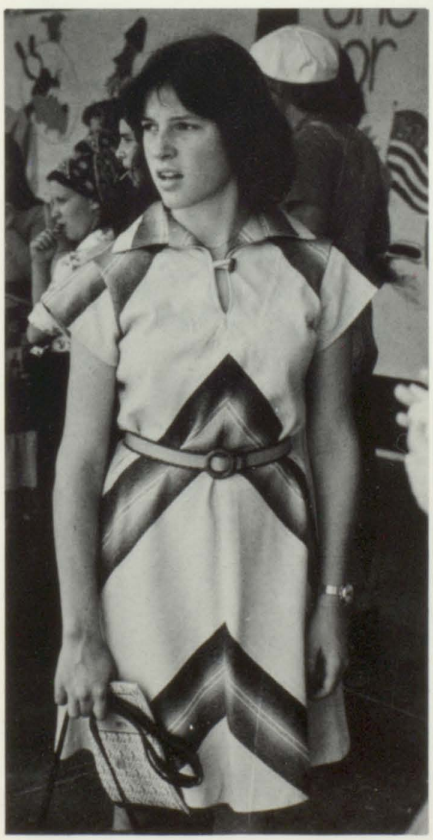
Get a load of her!!

What will they do next?



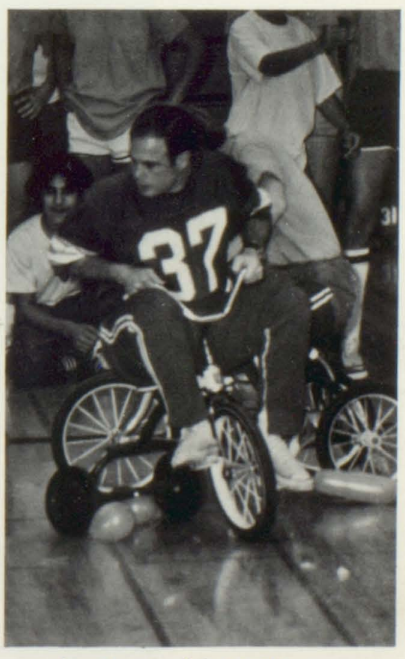
Grow up? Maybe tomorrow!

Rainy days of Monday . . .



Is he looking at me??

Where's the head???

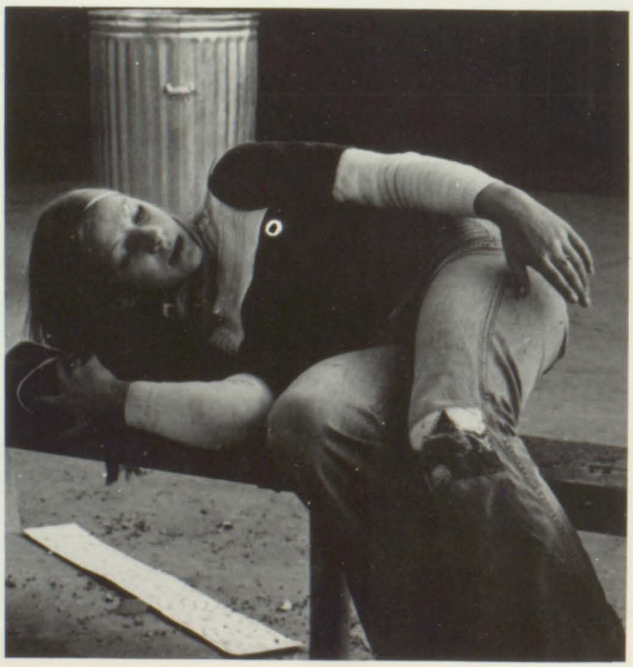


I gotta win, I just gotta . . .

First, the Bad News.

You had to see it to believe it.

Alone again . . . naturally.

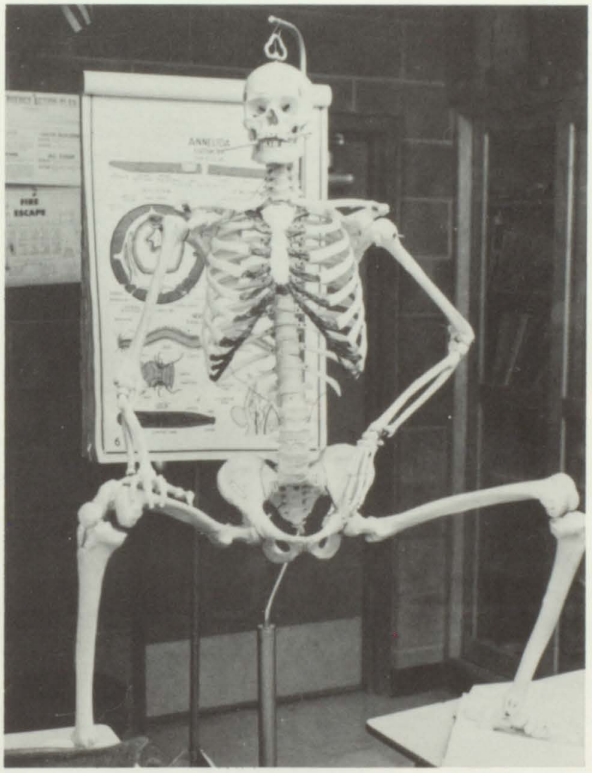


Wake me when it's over.

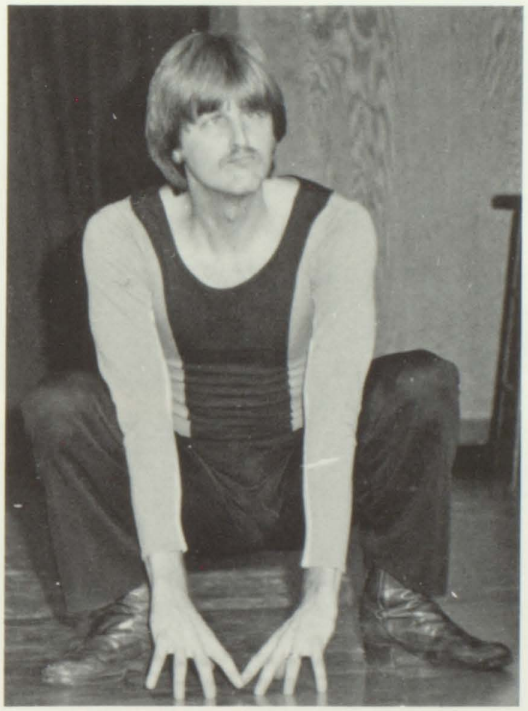
My name lives on forever.

Out of the darkness comes . . . Super Cycle!

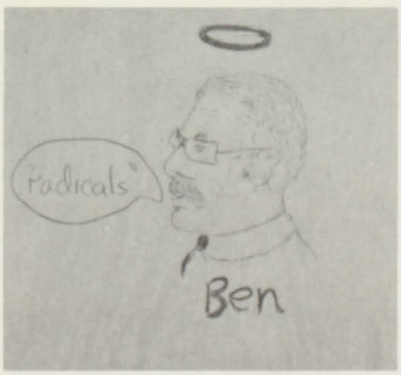
Varoom 'room!



Get up and Boogie!



Agh! I've been kissed by a teacher!



That's what they all say.

The time has come for the Editor of this fantastic yearbook, to write something inspiring. Well, forget it! I want to thank all the talented people that signed up for this year's staff. You've all done a terrific job. Especially Miles D. Mendenhall, my right hand man and Carlos Servantes, my photographer. Denise Torres, the creative one on the staff, you wrote a beautiful theme. Mrs. Anderson, is our account number 533? Dear Michele, this sounds exactly like your page. I wanted to save the most important person for last, Mr. Franco. I dedicate this yearbook to you.

"Good Luck Class of 77"
